

"Pro-Biotics Plus®" from NWC utilizes the unique transfer factors found in Colostrum coupled with the most powerful immune boosting probiotics known to science, Beta Glucans, Inositol Hexaphosphate (IP6), and more.*

"Pro-Biotics Plus®" is the natural way to keep our immune system tuned for peak performance while supporting normal digestion and elimination.*

Like all NWC's products, we guaranteed maximum nutritional benefit and cellular delivery with L.E.A.D.S.® Live Enzyme Activated Delivery System®. L.E.A.D.S.® is a proprietary blend of enzymes and chelated minerals that insure digestion and delivery of all the nutrients in the "Pro-Biotics Plus®" formula on a cellular basis.*

Suggested Usage:

One capsule three times a day, preferably with a meal.

For extended freshness refrigerate after opening.

♦Guaranteed minimum potency at the time of manufacture
