

**Ultra-Enzyme Support®** is a high performance broad-spectrum digestive enzyme formula. Using the highest quality vegetarian enzymes and mineral co-factors it provides support on many levels.\* **Ultra-Enzyme Support®** is manufactured under the strictest standards for optimal function of the digestive system. This formula supplies 18 different enzymes to actively support healthy digestion and absorption of a wide variety of foods including proteins, fats, carbs, sugar and gluten. Even the hidden gluten in foods you don't know is even there!\*

All of NWC's products guarantee maximum benefit and cellular nutrient delivery with L.E.A.D.S.® Live Enzyme Activated Delivery System®. L.E.A.D.S.® is a proprietary blend of enzymes and patented chelated minerals that insures the digestion and delivery of all the nutrients on a cellular basis.\*

**NWC-APL™** This proprietary enzyme blend is derived from isolated microbial sources, as a pancreatic enzyme alternative, to further increase the body's ability to metabolize proteins, carbohydrates and fats. It is ideal for diets high in saturated fats.\*

#### Brief Description of Enzymes

Enzyme Name	The food that it digests
Protease, Peptidase	proteins
Amylase, Alpha-Galactosidase	simple & complex carbohydrates
Glucoamylase, Invertase, Diastase	including sugars
Lipase	fats and oils
Cellulase, Pectinase	fiber
Lactase	lactose and lactose intolerance*
Phytase, Hemicellulase, Xylanase	fiber-bound plant minerals

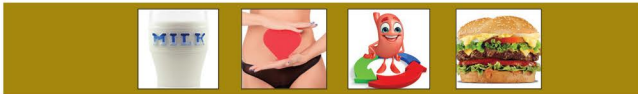

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Suggested Usage:** Take 1 to 2 capsules with meals, or more as needed to aid with occasional digestive discomforts.\* Store in a cool dry place.

# Ultra-Enzyme Support®

- 18 High Performance Digestive Enzymes
- Guarantees Nutrient Delivery\*
- Maximum Enzyme Activation\*
- Supports the Digestion of Gluten\*

Dietary Supplement

**200 Capsules**

## Supplement Facts

Serving size: 2 Capsules  
Servings per container: 100

Amount per serving	% D.V.
Zinc (as Zinc glycinate chelate)	1.2 mg 11%
Copper (as Copper glycinate chelate)	0.066 mg 7%
Manganese (as Manganese glycinate chelate)	0.5 mg 22%
Chromium (as Chromium nicotinate glycinate chelate)	55 mcg 157%
Beet (root and juice powder)	293 mg **
NWC-APL™ (amylase, protease, lipase) (100 PALU)	100 mg **
Enzyme Blend	221 mg **
Protease 6.0	20,000 HUT
Amylase	3000 DU
Peptidase	7500 HUT/150 DPP-IV
Glucoamylase	10 AGU
Protease 3.0	20 SAPU
Invertase	135 SU
Diastase	350 DP*
Protease AM	8 AP
Protease 4.5	6000 HUT
Alpha-galactosidase	100 GalU
Phytase	7.5 FTU
Pectinase	6 endo-PGU
Xylanase	150 XU
Cellulase	175 CU
Lactase	200 ALU
Lipase	100 FIP
Hemicellulase	100 HCU
L.E.A.D.S.® blend	62 mg **
Calcium glycinate chelate, Magnesium glycinate chelate, Potassium complex, Zinc glycinate chelate, Manganese glycinate chelate, Chromium nicotinate glycinate chelate, Copper glycinate chelate	

\*\* Daily Value (D.V.) not Established

Other Ingredients: Modified cellulose and water.

Manufactured Exclusively for  
NWC Naturals®, Inc.  
San Juan Capistrano, CA 92675 • (888) 207-3480
